Amount of Transfer

Please continue to make at least the minimum payments on your other credit cards until we notify you that the balances have been transferred. The Partnership FCU is not responsible for fees and finance charges incurred by you prior to your balance being transferred to The Partnership FCU. Payment of the amount(s) authorized by you may or may not satisfy any outstanding balance(s) on the designated account(s). You will continue to be responsible for any balances on your other credit cards. In the event that your request(s) exceed the amount of your credit line, we will fulfill your requests in numeric order as listed in your response, may decline to process one or more request and/or may complete one request in a partial amount. The payment and transfer of balances are contingent upon approval by The Partnership FCU and receipt of complete, legible balance transfer requests. Your balance transfer request may not be used to make payments toward amounts you owe The Partnership FCU. Transfer requests to cash or to yourself cannot be processed. Please note that transfers of less than \$500 are not eligible for any promotional Balance Transfer Annual Percentage Rate (APR) and will be subject to the cash advance APR stated in your card agreement. Standard cash advance rate will apply after any promotional balance transfer rate expires. Please refer to your Account Opening Disclosure for details.
